

St. William Catholic School Annual Fund - Pledge sheet

While the world has changed since St. William Catholic School was founded in 1950, our core Catholic values remain constant. We believe that every generation deserves a place where these values are embodied in every aspect of school life. The strong *Community of Faith, Family, and Learning* traditions of St. William Catholic School have touched thousands and continues to influence today's students, *unleashing* their talents and helping them prepare for their future.

Be a part of **Crusaders of the Future Fund** through the St. William Catholic School Annual Fund. It is a vital source that supports a broad spectrum of needs and ALL learners through our inclusion program that cannot be met through a tuition-driven operating budget alone. Gifts to the Annual Fund are invited throughout the year from hundreds of loyal benefactors who want to be part of a solid investment that empowers the Catholic Education Mission established at St. William over 50 years ago.

I/We would like to invest in the St. William Catholic School Annual Fund:
