Giving Opportunities

St. William Catholic Parish and School have been blessed throughout our seventy-five plus year history to be the recipient of many gifts of service, prayer, encouragement and financial support. We appreciate the many sacrifices that have enabled St. William Catholic School to continue to offer the benefit of an excellent Catholic education in the Walled Lake area. The following giving opportunities are available for those who desire to help St. William Catholic School financially.

Ways to Give

The Crusaders of the Future Fund – *started fall of 2019*

The Crusaders of the Future Fund is the annual fund drive that enables St. William Catholic School to continue the legacy of providing excellence in Catholic education in the Walled Lake area. The Crusaders of the Future Fund is our giving program that makes a difference in enriching the daily lives of our students by bridging the financial gap not covered by tuition and supporting special needs.

The Crusaders of the Future Fund drive is an opportunity for current parents, alumni, parents of alumni, faculty and staff, parishioners and community supporters who value Catholic education to make a donation that will make a real impact on St. William Catholic School both now and in the future. Donations to The Crusaders of the Future Fund will be used to keep tuition affordable, to encourage excellence in education through improved recruitment and retention, and to provide needed improvements in technology, building and grounds, and student materials. Contributions will preserve, strengthen, and build on the tradition of faith-filled education at St. William Catholic School.

Gifts to The Crusaders of the Future Fund, no matter how large or small, help us to sustain improvements, programs and activities that are not covered by tuition. The annual financial goal of the overall appeal, to include fundraisers, direct mail campaign, etc.... will be established annually by the AoD Administrative Oversight Board, Financial sub-committee of the parish in conjunction with the Advancement sub-committee.

The Crusaders of the Future Fund: Gift Societies

Gifts of the following amounts will be recognized in the St. William Catholic School COTFF Annual Report.

Special Events

Special events must meet four criteria – build community, raise money, celebrate mission and cultivate prospects. They must be “friend-raisers” that appeal to the entire parish base.

2020 STW Sweepstakes/Mardi Gras - Beer & Wine Tasting Event

The event will be held on Saturday, February 8, 2020 at the Cantoro’s Italian Market in Plymouth and will be marketed as a parish-wide event with information mailed to families, alumni, and event boost posted on Facebook. It will be a culmination of our two fundraisers this year– Sweepstakes and Beer & Wine Tasting with silent auction. We will utilize the on-line bidding platform ClickBid to secure sponsors, sell tickets, and host the silent auction. The auction will open one week early on-line. We will also offer paper ticket/sponsor purchasing with information and documents posted on school website under Advancement tab. The sweepstakes sales started in September 2019 and the drawing will be at the event. Proceeds from the event will support the annual fund. Goal \$30,000

Share the Vision

Share the vision events are designed to communicate and support the mission of our school and our advancement program. The goal of these events is to build relationships to create a partnership with our surrounding community. Events will include inviting speakers to the school to educate constituents on the Advancement process, Open House, Alumni and Donor Mass and Reception, etc....

We will also work to be a visible presence at all school group activities in order to promote the mission of advancement at St. William Catholic School, to include, Curriculum Night, School events, and possible directed events that will be placed on the calendar solely for the purpose of education and fellowship.

Community Partnership Fundraisers

When possible, STW will partner with surrounding businesses to hold special fundraisers that would create revenue for the annual fund, at no expense to the school aside from marketing.

Individual Giving Days

Several planned days for giving opportunities each year. These giving days target a

school project from the *St. William School Wish List* created by staff to support school programs. These days to be marketed in the weekly school newsletter, church bulletins, email blasts to donors and alumni, and through social media with posts on the school and alumni Facebook pages starting two weeks before events.

- **Day of Giving** – “NCEA and FACTS Management presents Many, Gifts, One Nation: A Day of Giving to Catholic Schools. Scheduled each year in January during Catholic Schools week. This is a time for individuals to give to their local Catholic school.” Proceeds to support annual fund or be stipulated on giving page.
- **Giving Tuesday** – “#GivingTuesday is a global day of giving that harnesses the collective power of individuals, communities and organizations to encourage philanthropy and to celebrate generosity worldwide. Following Thanksgiving and the widely recognized shopping events Black Friday and Cyber Monday. #GivingTuesday will kick off the giving season by inspiring people to collaborate and give back.” Proceeds to support annual fund.
- **Year-end Giving** – This giving opportunity will be offered for the last week of each calendar year for those wanting to make one last donation before the year ends. This event will be marketed in the same way as the others except starting one week before year ends. Proceeds to support annual fund.

Enrollment Management

General Policies

When processing applicants for the following school year we work to recruit more than we can accept, accept more than we enroll, and enroll more than we retain. In all cases we will seek to maintain a strong Catholic culture in our school. St. William School is a Parish School. Our policy is to admit students according to the following priorities:

- Students who are currently enrolled in St. William Catholic School.
- Students of families who are current, participating members of St. William Parish.
- Non-parish Catholic students who currently have a sibling enrolled in St. William School.
- Non-Catholics who agree to the school's religious instructions policy.

If presently registered families do not re-register and pay the non-refundable registration fee on or before April 1st, those students will not be assigned priority level and may be placed on a waiting list in the order applications are submitted. The school office will call these families first before place on waiting list to check circumstances.

Student enrollment will be judged on an individual basis. In order to maintain a strong Catholic identity, our non-Catholic student population will be limited to 10%. If we reach this threshold, non-Catholic students will be placed on a waiting list

Continuous Measurement

We are committed to maintaining the school's academic excellence as well as its strong Catholic Identity through continuous improvement. We are able to achieve this commitment through our ongoing measurement of the school enrollment through a yearly survey to parents, now done through the Archdiocese, as well as an exit survey/interview to those families that graduate or leave the school. For copies of survey/interview questions - see addendums.

- Results of the AoD school family yearly survey are published in a separate email to school families within 30 days of survey.
- Results of the post-visit, graduate, and exit surveys are shared with school staff during staff meetings as soon as they are available for discussion and improvements.

General Marketing

A variety of marketing strategies will be used to cover a broad base of communities to include: magazines, newspapers, events, word of mouth, brand messaging, banner ads on fencing along Pontiac Trail and on front of school during open enrollment, and social media boosted posts. The school will utilize at least one full page in the weekly church bulletin to market to non-enrolled parish members to market our open houses. We will seek to insert our flyers in the parish bulletin of the non-school based catholic churches in the surrounding communities. In addition, we will post to our Facebook pages daily with highlights of activities and utilize the “boost” option when looking to recruit for open house. Email blasts from both school and parish will be used. Videos will be used as often as possible to promote events, celebrate student life, and create interest in school programs and enrichment activities.

Parent Ambassadors

The school needs support to market effectively and created a Parent Ambassadors committee (September 2019) with representatives from the school community – volunteer parents. Each parent ambassador will communicate and mobilize advancement marketing efforts with their individual organizations/classrooms to increase the number of volunteers working on marketing in an outward effort.

Open Houses

Good first impressions make a difference. Our school “brand” must speak loud and clear through our open house. Teachers should be present in classrooms with examples of work and hands-on activities. Our special groups and clubs should be present in the Activity Center to underscore our branding of children in faith, family and learning in our community. Individual tours will be conducted by knowledgeable guides and brand messaging items should be given at the end as a gift. All guests to the open house will fill out a survey in order to follow up with them personally by mail first and then with a phone call initiating a personal invitation to shadow.

The organizations related to our school, the Dads’ Club, Jr. Lego Robotics team members, and PSA will be present to provide for answers to questions. All materials (flyers, ads, and brochures) will be updated to give a fresh look to our branding of “St. William – A Community of Faith, Family, and Learning.” The cafeteria walls will be decorated with the decided open house theme.

The 2020 Open Houses marketing will include:

- The school will plan 3 open houses each spring on different days of the week, times, and themes in an effort to offer options to families with different schedules.
- Boost post of Open House approximately eight weeks before event targeting adults 25-60 years old in the communities of South Lyon, Walled Lake, West Bloomfield, Novi, Commerce Township, Farmington Hills, Wixom, and Milford.
- Boost post our website during the same time for same duration and target audience.
- Full page flyer in the St. William parish bulletin for 2 weeks before event.
- Information in the Lakes Vicariate two months before event.
- Bulletin articles in local non-school parishes: St. Mary's, St. Joseph, St. James, Holy Family, and Prince of Peace.
- Open house flyers mailed to each school families to make personal invites.
- Open House flyers placed in all parish organizations mailboxes to assist with the event marketing.
- Drop off flyers to daycares associated with St. William.
- Email blast to parishioners as well as students in the after-school program.
- Post flyer at entrances to church with flyers in the kiosks in entrances for self-serve.
- Speakers at masses weekend before event announcing Open House with personal invite – January open house.
- Post Open House on-line Survey or phone interview– see addendums for survey questions.
- Open house banners (2) posted by maintenance on fence along Pontiac Trail 4-8 weeks before events
- Yard signs for school families and interested alumni with updated date – distributed and collected by the school.
- Radio spots on Michigan Catholic Radio – when available.

Target Marketing

Our message will be geared towards an eligible Catholic audience through Catholic newspapers, parish bulletins, school newsletters, Michigan Catholic radio, and qualified direct mail. Part of our target marketing campaign within the parish (to bring more parish families into the school) includes:

- All new parishioners receive a welcome packet from the parish containing information of the school and its programs.

Tours and Shadowing

The Leadership Team will offer private tours of the school as requested and will offer as follow up a one-on-one meeting with the principal for specific curriculum questions. Student will be invited to shadow our school on a day that works best for the prospective student and school. Follow up letters/surveys will be sent after all tours/shadow visits by our school office. Teachers will be notified in writing at least 24 hours prior to a shadow visit.

Social Media and Website

Our new website launch was launched August 2019. We will also use Facebook in an effort to market the school, our mission, and our special events. In 2019 we will look to use the “boost” feature on Facebook in order to create more “Likes” to our page. Video of special events will be used to promote the school and our mission. These videos will be linked to our Facebook and Website, as well as through email blasts to the school and parish. A school video around our theme of “St. William – A Community of Faith, Family, and Learning” will be created and boosted through Facebook as well as on the website.

Brand Management

Brand Management is the DNA of our school and our messaging must be clear and consistent. The Advancement creative team worked to create one standardized logo to be used for all school and parish messaging. Permission from the advancement office must be granted prior to any group using the logo and the St. William School graphic style guide must be adhered to.

STW Branded Spirit Wear and Apparel

Motor City Embroidery will partner with STW as sole provider of STW spirit wear and Dennis Uniform provides apparel. This will ensure our brand is honored and will also reduce the need for us to house any inventory. This will also increase the number of

items available to both parish and school families. Items are purchase directly through Motor City Embroidery with order form found by school office and can be downloaded from school website at <https://www.stwilliam-school.com/crusader-wear> Information and links to order uniforms from Dennis Uniform can be found on school website at <https://www.stwilliam-school.com/uniform> The official uniform policy is located at this link.
